GIRLS! THICKEN AND BEAUTIFY YOUR HAIR AND STOP DANDRUFF

Try This! Your Hair Gets Wavy, Glossy and Abundant at Once

To be possessed of a head of heavy, beautiful hair; soft, lustrous, fluffy, wavy and free from dandruff is merely a matter of using a little Danderine.

It is easy and inexpensive to have nice, soft hair and lots of it. Just get a 25-cent bottle of Knowlton's Danderine now—all drug stores recommend it—apply a little as directed and within ten minutes there will be an appearance of abundance, freshness, fluffiness and a comparable gloss and luster, and try as you will you cannot find a trace of dandruff or falling hair; but your real surprise will be after about two weeks' use, when you will see new hair—fine and downy at first—yes—but really new hair—sprouting out all over your scalp.

Danderine is, we believe, the only sure hair grower, destroyer of dandruff and cure for itchy scalp and it never fails to stop falling hair at once.

If you want to prove how pretty and soft your hair really is, moisten a cloth with a little Danderine and carefully draw it through your hair—taking one small strand at a time. Your hair will be soft, glossy and beautiful in just a few moments—a delightful surprise awaits everyone who tries this.—Adv.

THIS STOPS HAIR FROM FALLING OUT

Ever count the dead hairs in your comb and brush? They are nature's warning of future baldness and proof that the dangerous dandruff germ is busy on your scalp.

Dr. Sangrebrun, the famous Paris specialist, first discovered that dandruff and falling hair are caused by a microbe. Then came the discovery of the value of the real Parisian Sage (liquid form) in destroying the dandruff germ and promptly preventing the further loss of hair. The effect of only three days' use of Parisian Sage is simply marvelous, and the American people have now awakened to the fact that they can be quickly rid of dandruff and save their hair by using Parisian Sage.

Parisian Sage is sold by the Red Cross Pharmacy and good druggists everywhere. It's inexpensive, daintily perfumed, free from stickiness, and will surely cause hair to grow soft, lustrous and really seem twice as abundant.—Adv.

QUIT MEAT IF YOUR KIDNEYS ACT BADLY

Take Tablespoonful of Salts if Back Hurts or Bladder Bothers

We are a nation of meat eaters and our blood is filled with uric acid, says a well-known authority, who warns us to be constantly on guard against kidney trouble.

The kidneys do their utmost to free the blood of this irritating acid, but become weak from the overwork; they get sluggish; the eliminative tissues clog, and thus the waste is retained in the blood to poison the entire system.

When your kidneys ache and feel like lumps of lead, and you have stinging pains in the back or the urine is cloudy, full of sediment, or the bladder is irritable, obliging you to seek relief during the night; when you have severe headaches, nervous and dizzy spells, sleeplessness, acid stomach or rheumatism in bad weather, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning and in a few days your kidneys will act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys, to neutralize the acids in urine so it is no longer a source of irritation, thus ending urinary and bladder disorders.

Jad Salts is inexpensive and cannot injure; makes a delightful, effervescent, lithia-water drink, and nobody can make a mistake by taking a little occasionally to keep the kidneys clean and active.—Adv.

Secure Ajax Tires Now and Save Money

We have contracted for many more thousands of dollars' worth of tires in 1916 than any previous years, and our sales have been greater this year than ever before.

We have not sold, however, in 1916, all that we have contracted for. We are short on our contract about two thousand dollars (\$2,000.00). Now, in order to secure our rebate from the factory, we will offer nearly two thousand dollars' worth of new, fresh goods that have just arrived at 15 per cent. from list price for the balance of the year only. After January 1, list prices will be resumed.

Tire Prices Will Advance Soon

Owing to a 50 per cent. increase in fabric and advanced schedule of rates of labor, so that the present prices will not continue for any great length of time.

NOTE.—We will sell for immediate delivery only these \$2,000.00 worth of tires at this reduction, so that we may get our yearly rebate. After this sale, remember, list prices only.

We have handled Ajax Tires for more than six years consecutively and each tire sold carries with it the company's guarantee of 5,000 miles, together with our recommendation.

We have just completed arrangements with the Ajax factory for their representative in Barre for 1917.
